Furthermore, the SABS does not accept any liability arising from the use of this information, or the use, application, adaptation or process of any product described herein.**

### **REQUEST**

Assessment of formulations for compliance with SANS 1853

### **STATEMENT**

The following formulations were investigated for ingredients that are recognized as being potentially hazardous or toxic or harmful to humans and animals when the products are used in accordance with the manufacturer's recommendations, and in particular at the manufacturer's recommended dilutions.

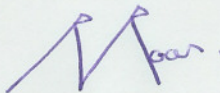

**Formulation assessment****Citrofresh / Citrofresh 14P / Citrofresh 14W**

The formulation is **approved** for compliance with SANS 1853, with the provision that a caution appears on the label of the product to the following effects:

- 1) may be irritating to eyes (R36);
- 2) keep out of reach of children (S2);
- 3) in case of contact with eyes rinse immediately with plenty of water (S26) and
- 4) if swallowed, drink copious quantities water, seek medical advice (S45).

Approved SANS 1853.
